Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.

MAN LAUNCHES IN JAIL; MOSO GETS MONEY

George Ripke was taken into custody here last Friday for trespassing on the Santa Fe Railway company's property. It appears from a statement made to an Optic representative today by Ripke, who is in the county jail, that he was enroute to Jerome, Arizona, and purchased a ticket as far as Springer and from that point to Las Vegas by "beat his way," as he had no funds left with which to buy a ticket on to Albuquerque at which point he expected to receive some money. There was money sent Ripke at Albuquerque but from all accounts he must have communicated this fact to others of the hobo element, as Ripke told Sheriff Romero he had money at the Duke city and upon inquiring it was learned that there had been twenty-five dollars wired to him at that place but some other man presented himself as Ripke and got the money and "skidded." There is nothing left now for Ripke to do but to serve his eight days on the streets of the West side and profit by his experience.

BACKACHE VANISHES AND YOUR KIDNEYS ACT FINE

A real surprise awaits every sufferer from kidney or bladder trouble who takes several doses of Pape's Diuretic. Misery in the back, sides or joints, sick headache, nervousness, rheumatism pains, heart palpitations, dizziness, sleeplessness, inflamed or swollen eyelids, lack of energy and all symptoms of out-of-order kidneys simply vanish.

Uncontrollable urination (especially at night), smarting, offensive and discolored water and other bladder misery ends.

The moment you suspect kidney or urinary disorder, or feel any rheumatism, begin taking this harmless medicine, with the knowledge that there is no other remedy, at any price, made anywhere else in the world, which will effect so thorough and prompt a cure as a fifty-cent treatment of Pape's Diuretic, which any druggist can supply.

It is needless to feel miserable and worried, because this unusual preparation goes at once to the out-of-order kidneys and urinary system, distributing its cleansing, healing and strengthening influence directly upon the organs and glands affected, and completes the cure before you realize it.

KIDNAPPED CHILD FOUND AT TUCUMCARI

Dalhart, Texas, Dec. 21.—"Oh, are you my daddy? Did Santa Claus bring you?" lisped pretty 6-year-old Genevieve Hurt as she threw her plump little arms about his neck and kissed J. H. Hurt of Osage, Ind., her father, whom she had never seen since she was a wee bit of a baby and for whom he had been searching the country over for over five years. Tears trickled down Hurt's face as he clasped the little girl tightly to his breast, as he answered: "Yes, I'm daddy. Kiss me again." But Hurt's lips were mute at Little Genevieve's next question: "Daddy, where is my mamma?" Little Genevieve would not have understood the story had her father told it and its telling would only reopen a heart wound that will never heal.

Hurt is now a wealthy business man of Osage, Ind. When he married Genevieve's mother he was poor and struggling. She became dissatisfied because he could not supply her with all the pretty clothes she wanted. The coming of Little Genevieve into the world only made Mrs. Hurt more dissatisfied and one day she and her baby suddenly and mysteriously disappeared.

A few years went by and then Hurt received a letter one day saying his wife had secured a divorce from him in a western state on the ground of desertion. Hurt tried to locate his wife and baby, but the woman had again disappeared, going to New Mexico.

Evidently wishing to break the last tie that bound her to her old life, the young woman, whose life lay along lines that childhood knows not of, gave her baby to Mr. and Mrs. May of Tucumcari, N. M., a year ago. The Mays loved the winsome little girl and learned enough from her mother regarding Hurt to begin a search for him. Hurt was located five days ago and communicated with. He started

west on the first train and wired ahead to have the child brought to Dalhart, Texas, so anxious was he to see her. Father and lost child were reunited in Dalhart Saturday.
